Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With nearly 1,000 meters of underground development completed at our two new deposits and a robust Pre-Feasibility Study released, Alexco is advancing the district towards a production decision with the goal of production in Q3 2020. This is a great opportunity to be part of the team that is building one of the highest-grade silver operations in the world.

The company has an immediate opening a **Millwright**.

#### **Position Overview:**

Reporting to the Mill Manager, the Millwright will be responsible for supporting the Mill operations by providing ongoing installation and maintenance of machinery. This will be a 14 day on / 14 day off rotation at our Keno Hill Project in Elsa, Yukon.

#### **Primary Responsibilities:**

- Assemble, repair, install, align, dismantle and move stationary industrial machinery and mechanical equipment such as pumps, fans, tanks, conveyors, furnaces and generators per layout plans using hand and power tools;
- Install and maintain power transmission, vacuum, hydraulic and pneumatic systems, and programmable logic controls;
- Operate hoisting and lifting devices such as cranes, jacks and tractors to position machinery and parts during the installation, set-up and repair of machinery;
- Operate machine tools such as lathes and grinders to fabricate parts required during repair or set-up of machinery;
- Clean, lubricate and perform other routine maintenance work on machinery;
- Read blueprints, diagrams and schematic drawings to determine work procedures;
- Perform pre-operational checks, and operate equipment per Safe Operating Procedures;
- Monitor equipment and processes and ensure equipment deficiencies and operational issues are reported clearly;
- Conduct trouble shooting activities when problems arise; and
- Other duties as assigned.

#### **Education and Experience:**

- Valid Red Seal Interprovincial Journeyman Certificate as a Millwright;
- Basic welding skills;
- Mining industry experience desired;
- Valid driver's license;
