Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With nearly 1,000 meters of underground development completed at our two new deposits and a robust Pre-Feasibility Study released, Alexco is advancing the district towards a production decision with the goal of production in Q3 2020. This is a great opportunity to be part of the team that is building one of the highest-grade silver operations in the world.

The company has an immediate opening for an **Underground Mine Supervisor**.

#### **Position Overview:**

Reporting to the Mine Superintendent, the Underground Mine Supervisor will be responsible for leading the mining crews using safe and effective supervisory skills. This will be a 14 day on / 14 day off rotation at our Keno Hill Project in Elsa, Yukon. This shift schedule is subject to change.

#### **Primary Responsibilities:**

- Supervise, plan and lead the safe operation of all mine mobile equipment throughout the shift
- Coordinate mine operations activities with other departments and contractors
- Train and develop a diverse workforce in the safe and efficient operation of equipment
- Provide effective leadership to build a strong employee culture
- Contribute to continuous improvement initiatives
- Assist with the development of operating procedures
- Ensure a high level of quality and production standards
- Ensures a safe working environment is created for the team
- Completing shift and production reports in an efficient and timely manner
- Serve as central communication personnel for mine production and safety, including emergency events

#### **Education and Experience:**

- 5 years supervisory experience in a hard rock mining setting preferred
- Possess current Yukon First Line Supervisor Certification
- Conflict resolution skills
- Excellent written and verbal communication skills
- Ability to adjust to rapidly changing priorities
- Ability to maintain motivation of crews
- Knowledge of Microsoft Office programs ie. Excel, Word and Outlook
- Self-motivated team player with a positive attitude and the ability to work with minimal supervision
- Pre-employment testing will be mandatory (drug/alcohol, lead blood, audiogram, etc.)
