

## MECHANIC

### OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With nearly 1,000 meters of underground development completed at our two new deposits and a robust Pre-Feasibility Study released, Alexco is advancing the district towards a production decision with the goal of production in Q4 2020. This is a great opportunity to be part of the team that is building one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team. The role of a **Mechanic**.
