

UNDERGROUND MECHANIC

OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With nearly 1,000 meters of underground development completed at our two new deposits and a robust Pre-Feasibility Study released, Alexco is advancing the district towards a production decision with the goal of production in Q4 2020. This is a great opportunity to be part of the team that is building one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team. The role of an **Underground Mechanic**.

REQUIREMENTS

- Ability to work with heavy equipment, trucks, dump trucks, hydraulic and power transmissions, and miscellaneous equipment.
- Test repaired equipment and maintain proper performance.
- Ordering and maintaining inventory.
- Able to lift to 50 lbs.
- Physically fit to perform the duties of the position.
- Pre-employment testing will be mandatory (drug/alcohol, lead blood, audiogram, etc.)
- 5 years' experience in this role preferably in a remote camp with a valid driver's license.
- Owns steel-toed safety boots
- Heavy Duty Equipment Mechanic Trade Certification preferred
