

## MINE LABOURER

### OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With nearly 1,000 meters of underground development completed at our two new deposits and a robust Pre-Feasibility Study released, Alexco is advancing the district towards a production decision with the goal of production in Q4 2020. This is a great opportunity to be part of the team that is building one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team. The role of a **Mine Labourer**.

### REQUIREMENTS

Your role will be to assist in the clearing and moving of the extracted material to our Mill and stockpile sites and assist in the dewatering process.

- Site clean-up, housekeeping and/or demolition.
- Equipment clean-up.
- Pipe laying.
- Pump monitoring.
- Hose installation and maintenance.
- Small equipment operation.
- Other duties as assigned.
- Willingness to work in a team environment.
- Ability to operate in a safe and responsible manner.
- Ability to effectively communicate with co-workers and supervisors.
- We are currently seeking a Mine Labourer to join our highly skilled Mine Operations department working 14 days on, 14 days off, rotation.
- Able to lift to 50 lbs.
- Pre-employment testing will be mandatory (drug/alcohol, lead blood, audiogram, etc.).
- FIFO camp.
