

Underground Mine Engineer

OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With nearly 1,000 meters of underground development completed at our two new deposits and a robust Pre-Feasibility Study released, Alexco is advancing the district towards a production decision with the goal of production in Q4 2020. This is a great opportunity to be part of the team that is building one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team. The role of a **Technical Services** has broad responsibilities, problem solving skills, along with technical experience, to maintaining safety protocols and implementing site procedures. Our ideal candidate is responsible, and team focused.

RESPONSIBILITIES

- Develop, update and implement short and long range mine plans;
- Work with the technical services department to oversee backfill design and implement a QA/QC program to ensure design targets and strengths are met;
- Develop detailed driving layouts for development and production headings;
- Generate longhole stope layouts along with drill and blast design;
- Assist with geotechnical planning and ensure the ground control management plan is adhered to;
- Ensure compliance with company and government regulations;
- Provide plans and design of auxiliary services, such as ventilation, electrical, dewatering, and compressed air;
- Develop and implement standard operating procedures promoting safe mining operation and quality control.

REQUIREMENTS

- Bachelor's degree in mining engineering or similar;
- 2-5 years of underground mining experience;
- Experience using DESWIK or similar mine planning software;
- Proficient in Microsoft Word, Excel and Office;
- Experience in cut & fill and longhole mining methods;
- Strong background in cost controls and cost tracking;
- Solid understanding of mine methods and safe mining practices;
- Previous exposure to mine rescue experience is desirable;
- Remote camp experience (FIFO) would be considered an asset.

REWARDS & CULTURE

Alexco Resource offers a competitive remuneration package. We offer a supportive culture that prides itself on teamwork, professionalism and safety. Apply today.
