

Equipment Operator

OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With nearly 1,000 meters of underground development completed at our two new deposits and a robust Pre-Feasibility Study released, Alexco is advancing the district towards a production decision with the goal of production in Q4 2020. This is a great opportunity to be part of the team that is building one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team in the role of **Equipment Operator**.

This role is on a 14 days-on/14 days-off rotation.

RESPONSIBILITIES

- Operation of equipment (Excavator, 930 & 966 Loader, Dozer, Bobcat);
- Equipment care, and general maintenance as required;
- Performance of general labourer tasks and projects across the site;
- Clean, adjust and maintain equipment;
- Physically fit to perform the duties of the position;
- Pre-employment testing will be mandatory (drug/alcohol, lead blood, audiogram, etc.).

REQUIREMENTS

- High School Diploma or General Education Degree (GED)
- 2+ years' experience operating excavators, loaders and dozers in a mining or construction environment;
- Safe work background and culture;
- Ability to accurately follow instructions and complete tasks with little or no supervision.
- Minimum of 2 years of experience or more working in a jaw, cone crusher, screening and conveying operation
- Valid driver's license

REWARDS & CULTURE

Alexco Resource offers a competitive remuneration package. We offer a supportive culture that prides itself on teamwork, professionalism, and safety.

CONTACT US
