

Site Services Supervisor

OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With underground development approaching ore zones at our two new deposits, a mill processing high grade ore from our historic Bellekeno mine, Alexco is advancing the district towards full production. This is a great opportunity to be part of the team that is operating one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team. The **Site Services Supervisor** will report to the Mill Manager or designate. Your primary responsibility will be to safely oversee all Site Services activities for the mine.

This is a 14 day on / 14 day off rotation at our Keno Hill Mine in Elsa, Yukon.

RESPONSIBILITIES

- Maintain working knowledge of site services activities on site
- Safety promotion and awareness
- Coordinate daily work assignments with crew to ensure requirements for all department needs are met
- Monitoring and coaching of crew members to ensure that all work performed is done in an efficient & effective manner and that proper operations and safety procedures are adhered to
- Provide a clear understanding and direction of maintenance as it pertains to building and infrastructure, road, and camp
- Promote best practice to optimize equipment reliability and cost
- Assist in planning and executing capital projects
- Obtain and maintain Standard First Aid with CPR/AED certification
- Maintain a valid driver's license
- Practice and promote company environmental, health, safety and operational policies and procedures

REQUIREMENTS

- Valid driver's license
- Standard First Aid with CPR/AED Certificate
- 5 - 7 years' experience in operating equipment or past supervisory experience in a site services role
- Clear understanding and knowledge of operational use for all heavy equipment in use on site
- Ability to prioritize and execute job activities
- Understanding of site water treatment systems
- Positive and proactive attitude towards safety
- Ability to communicate effectively
- Strong organizational skills

REWARDS & CULTURE
