

## Mill Operator 1

### OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. With underground development approaching ore zones at our two new deposits, a mill processing high grade ore from our historic Bellekeno mine, Alexco is advancing the district towards full production. This is a great opportunity to be part of the team that is operating one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team. The Mill **Operator 1** will report to the Mill Manager or designate – Supervisors (your “Supervisor”).

This is a 14 day on / 14 day off rotation at our Keno Hill Mine in Elsa, Yukon.

### RESPONSIBILITIES

- Preparation of job site, load and deliver materials using a variety of small equipment, and operate a variety of tools including carpentry tools, power tools, snow removal equipment, pressure washers and water spraying equipment
- Hose installation and maintenance
- Observe operation of equipment to ensure continuity of flow, safety, and efficient operation, and report any malfunctions
- Willingness to work in a team environment
- Ability to operate in a safe and responsible manner
- Ability to effectively communicate with co-workers and supervisors
- Other duties as assigned

### REQUIREMENTS

- Previous experience operating a 966 and/or 930 loader and bobcat required
- Strong safety mindset
- Valid Class 5 Driver's License
- Underground Mine Rescue Certification would be considered an asset
- Ability to understand and follow instructions
- Strong oral and written communication skills

### REWARDS & CULTURE

Alexco Resource offers a competitive remuneration package. We provide a supportive culture that prides itself on teamwork, professionalism, and safety. Apply today.
