

Instrumentation Technician

OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. We're developing two underground new deposits, the Bermingham mine and the Flame & Moth mine. The initial ore production at Bermingham mine was achieved in August 2021 and continues to further scale-up underground activities. The underground development continues at the Flame & Moth mine; Alexco is advancing the district towards full production. This is a great opportunity to be part of the team that is operating one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team. The **Instrumentation Technician** will report to the Mill Manager or designate – Supervisors (your "Supervisor").

This is a 14 day on / 14 day off rotation at our Keno Hill Mine in Elsa, Yukon.
