

Long Term Strategic Planning Engineer

OVERVIEW

Alexco Resource Corp. owns the majority of the historic high-grade Keno Hill Silver District located in Canada's Yukon Territory. We're developing two underground new deposits, the Birmingham mine and the Flame & Moth mine. The initial ore production at Birmingham mine was achieved in August 2021 and continues to further scale-up underground activities. The underground development continues at the Flame & Moth mine; Alexco is advancing the district towards full production. This is a great opportunity to be part of the team that is operating one of the highest-grade silver operations in the world.

We are looking for an individual to join our growing team. The **Long Term Strategic Planning Engineer** will report to the Chief Mine Engineer.

This is a permanent position that can be located in Whitehorse or Vancouver.
